LEARNING GOALS OUTLINE

Directions: Based on your reading of the chapter, provide responses to the following. 1. How does an understanding of conventional wisdom affect your understanding of sociology? 2. What is sociology? 3. How is the sociological perspective different from the psychological perspective? 4. Why do patterns interest sociologists?

Durkheim used bronze to illustrate sociology's assumption cannot be predicted from knowledge about individual me	n that the
	moers.
sociological imagination, a term introduced by C. Wright	t Mills, make
sociology, and why is he recognized as such?	
e between social statics and social dynamics?	
neau considered an important person in the origin of socio	ology?
ncer use the human body to explain the functioning of a se	ociety?
