

## Highlights of My Life

You are to complete this assignment as if it were a Google Slide presentation of your life beginning at birth and ending at the present.

In each box draw a picture of an *important* event in your life.

Nine boxes = Nine important events

Hint: Think about those events you remember- awards, accomplishments, friends, births, deaths, school, religion, marriages, Firsts--(riding bike, license, date, job)

You may use only a few words. The boxes should be mainly images not writing.

You may draw stick figures. I am not grading on artistic ability.
