### Lost Boys

1. What is the most difficult problem faced by the Sudanese boys?
2. Do you think life will get better for the Lost Boys?
3. Should the boys embrace American culture or cling to Sudanese ways?
4. Define desocialization and resocialization.

Aug 30-8:23 AM

Mar 13-4:47 PM

### *How does anticipatory socialization lead to voluntary change?*

- Anticipatory socialization is the process of preparing (in advance) for new norms, values, attitudes, and behaviors.
- It involves voluntary change from one reference group to another.
- The norms and values of the reference group are used to guide the behavior of people who identify with that group.
