

Block, October 24&25

HW:1) Chapter 8 pp. 204-11 Open-note Quiz M 10/29

Ann:

Today-1) Set for Social Class Unit--Star Power (20 pts) Reflection QW

2) Sneetches video & notes

3) Notes--Social Class in America

Aug 30-8:23 AM

Star Power--Stratification Reflection--20 pts

1. To which social group were you originally assigned? Describe your group's slogan and what it said about your group's self-esteem. How connected did your group become as the simulation unfolded?
2. Was there movement between social classes? Why or why not? Explain.
3. What conflicts emerged as the game progressed? If implemented, what level of exploitation would the new Triangle Rules have created?
4. What did you learn about human behavior and groups from today's simulation?
5. What ideas were explored in both Star Power & the Sneetches cartoon?
