

Sociological Perspective(SP)=focus on (structure) patterns of behavior shared by group members

Paraphrase:

Sociological Imagination(SI)=enables one to see the connection between self and society; allows a challenge to "conventional wisdom"; allows individuals to make own decisions, not just blindly follow values taught by society

Paraphrase:

◆-----◆

Pattern	Conformity	Question(s)
Before Civil War-Slavery	Value-Fear & Racism Norms--forbid education	Wife of slave master- questioned conformity-- Fredrick Douglass--Abolitionist
